Section 6: IMPORTANT NOTES REGARDING PROOF OF IDENTITY

Where you are requesting a rollover or cash withdrawal, in accordance with Anti Money Laundering and Counter Terrorism Financing Act 2006 and for the security of your account, you **must** supply Proof of Identity documents **before** any payment can be made. The only acceptable Proof of Identity documents are either:

1. An original or certified* copy of a current primary photographic identification document such as a passport or driver's license; OR
2. Both of an original or certified* copy of a primary non-photographic identification document such as a birth certificate, citizenship certificate or Centrelink pension or health card **AND** an original or certified* copy of a secondary identification document such as an assessment issued by the ATO to the person within the preceding 12 months that contains the name of the person and his or her residential address or a rates notice issued to the person within the preceding 3 months that contains the name of the person and his or her residential address or a Centrelink letter addressed to the person within the preceding 12 months regarding a Government assistance payment.

The person who is authorised to certify documents must sight the original and the copy and make sure both documents are identical, then make sure all pages have been certified* as true copies by writing in English "certified true copy" (a stamp may be used instead) followed by their signature, printed name, qualification (e.g. Justice of the Peace, Australia Post employee etc) and date. Contact details must be supplied where the certification is not provided by a Justice of the Peace.

Where the document being provided is a certified* copy, the copy **must** have **original** certification on it - it cannot be a photocopy of a document that was previously certified*. Faxed or emailed copies of certified* documents do not comply with our identification requirements and are not acceptable.

Please note that we do not have any discretion over these requirements - Proof of Identification is required under the Federal Government legislation and cannot be waived or amended in any way.

IMPORTANT INFORMATION

1. ROLLING OVER

If you want to rollover some or all of your account to another superannuation fund, please complete the Rollover Fund Details section of the Benefit Payment Form-Rolling Over or Transferring to Another Fund.

When we receive your completed form, we will process your benefit and send a cheque to your new fund. We will also send you confirmation that the payment has been made.

2. CASHING IN YOUR SUPER

Generally, unless you have reached your preservation age and have retired, you can only cash in your super if your account balance is under \$200.

However, any amounts classed as unrestricted non-preserved can be cashed in regardless of the size of your account. Your Pre Payment Statement will tell you if any money is unrestricted non-preserved.

Cash payments may be subject to tax. If you are eligible to cash in some or all of your super, it is important that you provide your Tax File Number. Without your Tax File Number we may have to deduct tax at the highest marginal rate.

Different rules apply to non-Residents.

3. WHY WE WANT TO KNOW YOUR TAX FILE NUMBER

Any cash benefit will only be taxed at the concessional rates noted above if you provide your Tax File Number to your superannuation fund.

It is not compulsory to quote your Tax File Number but if you choose not to, your benefit, as well as the contributions received by this Fund, may be subject to additional tax.

If you provide your Tax File Number to your Fund, you are also authorising your Fund to provide your Tax File Number to the Australian Taxation Office and to any institution you have instructed us to roll over your account to. Your Fund is required to keep your Tax File Number private and secure and may not disclose your Tax File Number to unauthorised persons.

4. TAXATION

Benefits paid to you from your superannuation fund may be subject to taxation.

The tax treatment will depend upon whether or not you have provided your Tax File Number, and it will also depend on the composition of your payment.

The laws relating to the taxation of benefits are complex. We recommend that you seek professional advice about your options well before you actually receive your benefit.

5. YOUR INSURANCE COVER

Your insurance cover, if any, will cease when you leave the fund.
